

Park life 4

Guys,

This week we are going to address refereeing, individual players, and fees.

Refereeing

We are looking to bring on new referees this season. If you are keen to join the refereeing ranks please let us know. It is a great opportunity to have fun, keep fit, make friends, earn money, and will make you a better player.

Individual players

If your team needs extra players please let us know via email, we have a few people still looking to get involved so you are doing us a favour.

Fees

Payment of the balance is now overdue so our treasurer Brad will be chasing up teams.

Any questions?
