

# Park life 10

Guys,

This week we are going to address the draw, our pub sponsor, and social touch!

## **The draw**

D grade has now been finalised, and the remaining fixtures for that grade will be rolled out over the coming weeks (weeks 13-14 are yet to be done). However the final makeup of the top two grades was postponed and will be done this weekend.

## **Doutta Galla Hotel**

The motto of our comp is social touch football in the heart of Melbourne. Every week teams are encouraged win lose or draw to ask for a voucher after the game and get along to the Doutta Galla.

Obviously it is not as close as Hardimans so we also welcome your thoughts on whether it is a suitable social venue?

**Any questions?**
