

Hardimans are back

In 2017 Hardimans was sold and renovation began.

Renovated Hardiman's

In 2019 Hardimans are back, newly renovated and looking fantastic! Today I have met with the new management and they are back on board as our Winter pub sponsor. The usual arrangement of a voucher entitling the team to a free jug of beer at [Hardimans Hotel](#) will be offered to every team every week!

Hardimans remains an iconic pub in the heart of Kensington only 4km from Melbourne's CBD, that offers something for everyone. Renowned for its friendly social environment, live entertainment, good food it is a great place to meet or hold your special event. We are the social competition so get into the social spirit and get along to Hardimans.
