Week 1, Grading Round 1, Wednesday the 22nd of October

All,

this is the draw for week 1 (grading round 1) only. Teams will have byes from time to time so it is possible your team will have a first week bye (if so will be noted on the below draw). Please note the following points:

1. The format will be two half length games for every team (the referees will explain it on the night).
2. ~~Secondly the council have promised to mark our fields on Monday or Tuesday the 20th for week 1 on Wednesday 22nd. If they have not done so by Tuesday the 21st I will postpone week 1 by a week. This is out of my control, if this happens the website will be updated and a general email sent out Tuesday evening (it is unlikely so just assume its going ahead unless you hear otherwise.)- Update the fields are marked, good to go!~~
3. Thirdly have had a record number of entries. To accommodate additional these additional teams and stil give every team a 13-14 game season (the longest in Melbourne) we will be running 4 weeks where we will run games at 9 pm. To reward those teams that entered early I will try to avoid giving those teams 9 pm games.
4. Finally we have a case in which teams have chosen the same name. Their captains will need to decide on new names but in the interim if your team name is Northern Exposure please double check as your captains name will be in brackets following the teams name in the fixture to distinguish them.

Week 14, Regular season Round 12, Wednesday the 11th of February

For teams in A/B grade this is the start of finals. Those games are highlighted in bold. The structure is:

Teams finishing 6th through to 11th will contest B grade quarter finals. Teams finishing 4th and 5th will also playoff with the winner playing in the A grade semi finals and the loser into the B grade semi finals. Other A/B grade (1,2,3,12, and 13th positions) teams will play off amongst themselves in league matches.

For teams in other grades this is the final regular season round. However it is important to remember if you miss out on finals this is NOT the end of the season. Those teams missing finals however will playoff for minor placing so everyone will play through to the end of the season (subject to the byes). **IE this is not the last week.**
